THE BEST BALL ON THE PLANET!

14th Annual BCANY Summer Hoops Festival, proudly hosted by the Basketball Coaches Association of New York (BCANY). This exciting event brings together scholastic-based basketball teams from across New York State for a weekend of high-level competition, teamwork, and community spirit.

This weekend nearly 1,500 participants—including student-athletes, coaches, officials, and fans—will gather to celebrate the game we love. Each region holds open tryouts to select top players who will represent their area in this prestigious tournament. The festival features round-robin games, a slam dunk contest, a 3-point shootout, and championship matchups, all designed to promote sportsmanship and camaraderie in a championship-style setting.

Reviving a Legacy

The Summer Hoops Festival was born out of a desire to continue the tradition of the Empire State Games, a once-beloved Olympic-style competition that was discontinued due to funding and participation challenges. BCANY stepped in to preserve the basketball portion of those games, creating a platform for high school athletes to compete against top talent from across the state—right in front of family, fans, and college coaches.

Our Mission

BCANY is a volunteer-driven organization committed to educating coaches and growing the game of basketball at all levels. The Summer Hoops Festival is a testament to the passion and dedication of our coaches, section representatives, and committee members, all of whom donate their time to make this event possible.

Summer Hoops Fest 2026

In 2025, Hoops Fest found a new home in the Mid-Hudson region. We are so thankful to Monroe-Woodbury CSD for hosting us again this year. The festival features 19 teams (10 boys' and 9 girls'), with over 275 players and coaches. We are also excited about our partnership with G.O.A.T. Basketball, who generously donated the game balls and coaching shirts. They are the exclusive outfitters of the 2026 BCANY Summer Hoops Fest, providing the team jerseys and our SHF t-shirts, which are on sale near the concession stand. We are also excited to partner with Empire State Takeover and High School Sports Stats, who will be providing additional social media and website coverage – including pictures, scores, stats, and results.

We are deeply grateful to our sponsors, volunteers, families, and fans whose support helps us provide this incredible experience for New York's student-athletes. With your continued enthusiasm and commitment, we look forward to many more years of basketball excellence.
